Milwaukee, Wis. - It is often said that the most important adjustments during a sporting contest comes at halftime.

The UIC soccer team held a 2-1 lead over Cleveland State following the first half of their Horizon League semifinal contest at UW-Milwaukee's Engelmann Field on Friday afternoon.

The Vikings made the necessary changes during the intermission and scored four unanswered goals to earn the 5-3 victory over the Flames and advancing to the Horizon League championship.

UIC finishes the season at 10-8-2, while Cleveland State improves to 10-10. Cleveland State will play the winner of the other semi-final contest featuring #1 UW-Milwaukee and #5 Butler.

Cleveland State came out firing in the second half as sophomore Stephen Ademolu headed in a free kick from O.C. Haugen at the 51:06 mark for his second goal of the game, knotting the game up at 2-apiece.

The Vikings struck again less than three minutes later as Adam Musser converted a give-and-go from Joachim Walker (3 assists) to give Cleveland State the 3-2 lead, which they would not relinquish.

Ademolu and Walker were instrumental in Cleveland State's fourth goal of the contest as the pair assisted on J.R. Trandal's second goal of the season at the 74:47 mark.
